GENERAL

- A third-year (last year) student of B.Sc in Computer science at Reichman University, with a **GPA of 95**
- Included in the **dean's list** for the first year of study and in the **honors program** of Computer Science
- Served in **8200 unit** as a Techno Intelligence operator and commander
- Looking for a student position as a software developer at a company in which I can learn, contribute and potentially develop a long-term professional career

MILITARY SERVICE

8200 Unit, released in the rank of sergeant — 2017-2019

Techno Intelligence unit — 2017-2018

Special course commander — 2018-2019

Professional team leader of tech intelligence team — 2019

EDUCATION

Reichman University, Herzelia — Computer science, 2021 - present

Part of the dean's list — 2021

- Finished the first year with a GPA above 95.
My GPA includes 100 in calculus, 100 in discrete math, 100 in linear and 92 in data Structure
- Finish the second year with a GPA of 94.
My GPA includes 92 in Algorithms, 96 in c# and 94 in Machine learning.
Added more software development courses over the required syllabus and now taking self-study courses during the semester break

AWARDS

Computer science's honors program — 2021-2022

As part of the program, in the first year, I participated in University lectures on advanced topics in Computer science, and in the second year, a course from M.Sc in Computer science was added to the syllabus.

Monday 75% scholarship for excellence and leadership — 2022-2023

Based on academic achievements and **Voluntary** achievement, I received a maximum scholarship of 75% from the Monday company.

SKILLS
